

Summer Newsletter

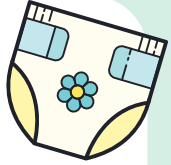

This half term runs from April 15th to May 24th

Welcome to New Staff

As we bid farewell to our Business Manager Emily,
We welcome our new office team -
Kelly our Business Manager &
Amy our Assistant Business Manager.

Nappies!

If your child is not toilet training yet, please ensure they come to playgroup in NAPPIES and not Pull Ups. We have a very high number of 2 year olds in our setting and nappy changing with pull ups takes considerably longer and is taking staff away from spending time with the children.

Hot Weather Warning

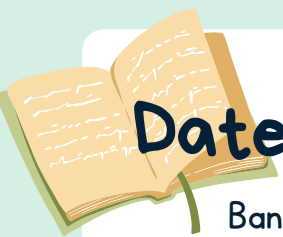

On sunny days,
please ensure you send your children
with a sun hat
& once a day sun cream applied.
Covering up with suitable clothing is
added protection.

2 Year Funding

Don't forget, the new Working Families 2 Year Funding came into play in April 2024. Applications are open now. If you have any questions, please contact us rotplaygroupadmin@googlemail.com

The eligibility requirements are the same as the current 30 hour offer for 3 year olds, and Tax Free Childcare.

DON'T FORGET

Allergies

Please do not pack nut or egg products in your child's packed lunch. This is imperative as we have children in the setting with serious allergies.

Please pack alternative shoes if your child is wearing wellies on arrival as June is highly allergic to latex.

Thank you for your understanding.

Teddy Appeal

We are in need of soft toy donations for our fabulous Teddy Tombola held at Radcliffe-on-Trent Carnival.

This is a huge fundraiser for us, so please dig deep for those pre-loved best friends!

We can take donations at the gate, but if you need help, we may also be able to collect from you, just let us know!

STIKINS Name Labels

Please don't forget to label coats, hats, bags and bottles to avoid confusion, and check the lost property box regularly. Use the STIKINS link on our website for waterproof non-iron labels which can be used for all these items and earns us commission.

Spaces Available

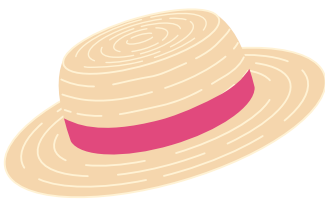

From September, we will be waiving an emotional farewell to our school starters.

As a result of this, we will have spaces available here at Preschool Playgroup across all sessions. Please therefore recommend us to friends & family.

We are an Early Years setting providing a safe, caring and stimulating environment for 2 - 5 year olds. We are fully inclusive and aim to offer affordable, high quality care to all children.

Having a Clear out?

As well as teddies for our Tombola, we are in need of spare sunhats & wellies to enable the children to enjoy our outdoor spaces in all weather.

Notice Period

Don't forget, there is a 4 week notice period for changing sessions.
